Dear Ms Schmidt

Mondi Paper Sales GmbH (Marxergasse 4A, A-1030 Vienna) supplies your company Europapier Group (Autokaderstr. 86-96, 1211 Wien, Austria) with different **Pergraphica**[®] paper grades, which are produced by Mondi Neusiedler GmbH & Co KG (Theresienthalstraße 50, 3363 Ulmerfeld-Hausmending, Austria). Please find a statement about the biodegradability below:

The Mondi Action Plan 2030 (MAP2030) sets out the actions Mondi needs to meet the ambitious new 2030 sustainability commitments. Mondi's purpose is to make packaging and paper that is sustainable by design.

According to the MAP 2030 all Mondi packaging and paper products should be reusable, recyclable, or compostable by 2025. Although paper-based packaging are seen as biodegradable in general, there is no external verification available till today (biodegradability as part of the EN 13432:2000). If such a certificate is needed, please inform the Mondi sales department, and the Mondi sales team will react on your needs as soon as possible.

This statement is valid for one year or good till cancelled.

Yours sincerely,

Mondi Neusiedler GmbH & Co KG
