

# HP Premium

For a high-quality look and feel. Whiter and brighter than ordinary office papers. Heavier and thicker too, with optimised stiffness.

Designed for superior performance with inkjet and laser printers.

Ideal for presentations, offers and other business documents that require colour and a professional look. In the office or home, it is perfect for documents such as presentations, offers, reports, handouts, graphics, letterheads and commercial proposals.

- High whiteness (170 CIE)
- Intense colours
- High quality
- Excellent formation
- Optimised stiffness
- Extensive use
